Label, Label Location, Packaging Label – FCC Certification Application

Fibaro Door Window Sensor

FCC ID: 2AA9MFGBHDW002

Label

The label is internal to the device and FCC ID is visible inside of the device too.

Fibaro Door Window Sensor FGBHDW-002 is sold with a battery placed inside the device. The battery is separated from electrical circuit of device by a paper blocker. This blocker needs to be removed by user, before first usage of device. In order to remove the blocker, user is forced to remove the battery first. Thanks to that, user will be able to notice and read the ID label of a product.
