Dear Sir,

For our business issue and marketing requirement, we would like to list different models numbers on the FCC certificates and reports, as following:

Serial Model Name: M12S-X (X=A~Z)

The Main test model M12S and M12S-X (X=A~Z) have the same circuit board and system, just have the different in colors and shell, so the test results in the certification for M12S equally apply to M12S-X(X=A~Z).
