

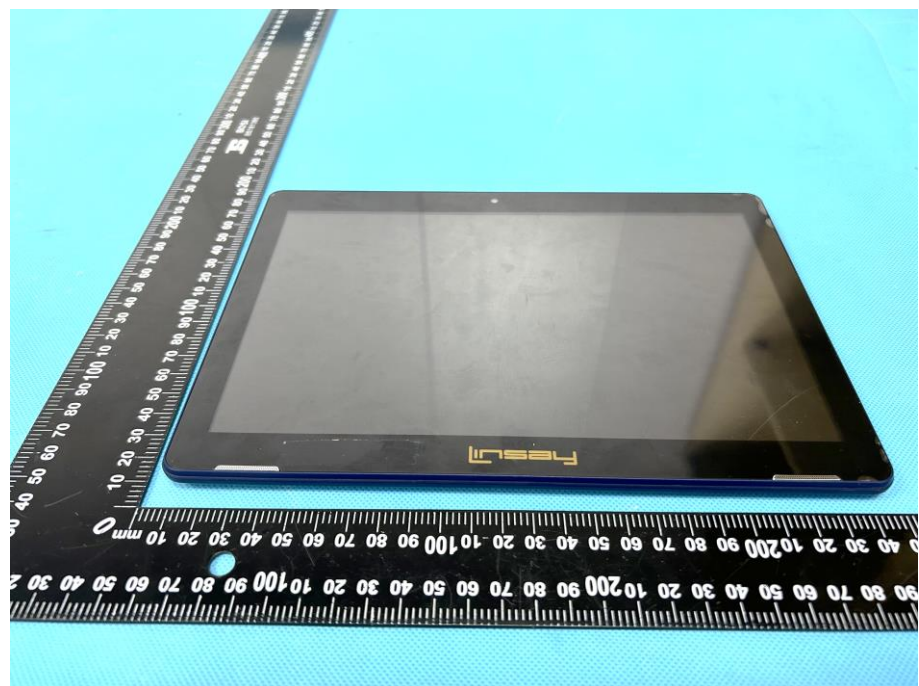

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

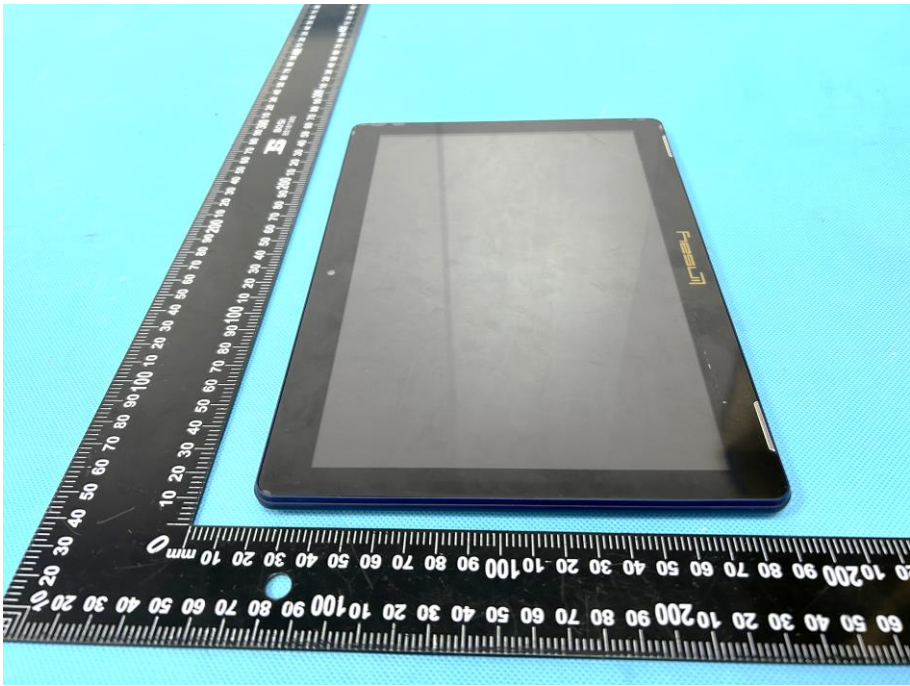

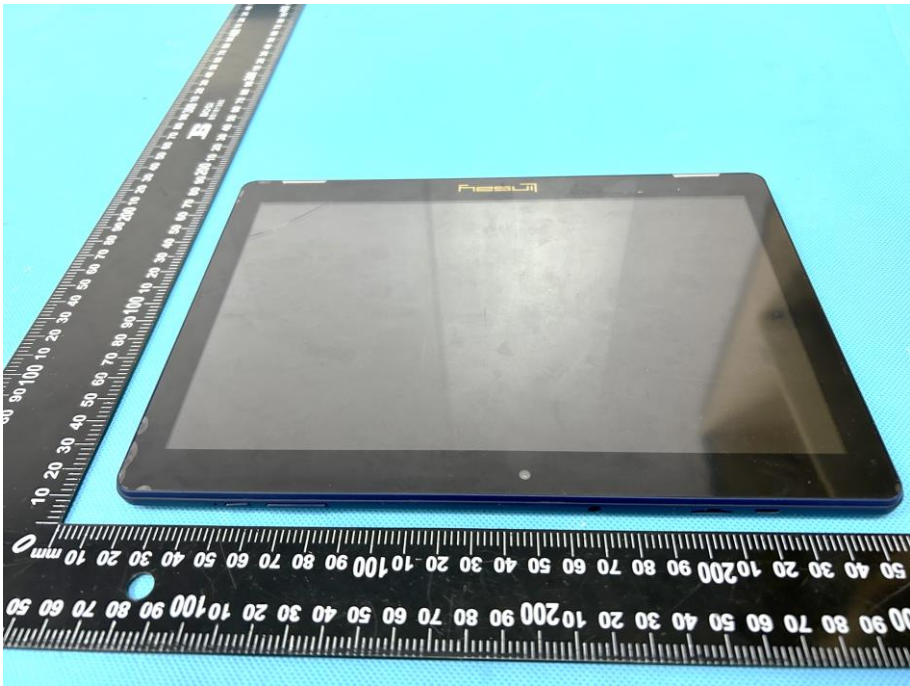

<p>EUT View 1</p>	 A photograph showing a black rectangular device, likely a tablet or monitor, lying on a blue textured surface. A black cable is coiled above the device. A black ruler with white markings is placed vertically to the left of the device for scale. The ruler shows markings in millimeters and centimeters. The device has a dark screen and a thin bezel. A small yellow logo is visible on the bottom edge of the device.
<p>EUT View 2</p>	 A photograph showing the same black rectangular device as in View 1, lying on the same blue textured surface. The black cable is not visible in this view. The black ruler with white markings is placed vertically to the left of the device for scale. The device's screen is dark, and the yellow logo on the bottom edge is clearly visible.

<p><b>EUT View 6</b></p>	

<p><b>EUT View 7</b></p>	 A top-down photograph of a black tablet device lying on a blue textured surface. A black ruler with white markings is placed horizontally across the top and bottom of the tablet. The ruler shows measurements in millimeters and centimeters. The tablet's screen is dark and reflects some light. The brand name 'Fesli' is visible on the top bezel of the tablet.
<p><b>EUT View 8</b></p>	 A close-up photograph of the bottom edge of the tablet. From left to right, there is a circular speaker grille, a micro-USB port, and a micro-USB port. The device is dark-colored, and the background is a solid blue color.
