Subject: Camero Certification Application, FCC ID: 2AACLX100F

To Whom It May Concern:

Camero Tech Ltd. Requests that the following exhibits in its applications for certification to be under Long-Term Confidentiality and withheld from public disclosure, pursuant to Section 0.457(d) and 0.459 of the Commission's rules, since they are considered Privileged and a Trade Secret:

- Schematics
- Parts List
- Block Diagrams
- User Manual
- Internal photos
- Theory of operation

The XAVER™100 is not a consumer product therefore all of these exhibits are not in the public domain. The material for which confidentiality is sought contains highly confidential, proprietary intellectual property and know-how which was developed by Camero with private funds over the last seven years, this material, if made public will hurt Camero considerably in the existing competition in the market place.

Thank you for your attention to this matter.

Sincerely,

Dr. Ron Daisy
