Dear Sir or Madam:

Telit Communications S.p.A. has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7LE910CXWWX, original grant date of July 16, 2021, for its radio module which carries the Telit Communications S.p.A. model number LE910C4-WWX.

This letter will grant permission on a one-time basis to Ability Enterprise Co., Ltd., a company in Taiwan, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Communications S.p.A. understands that Ability Enterprise Co., Ltd. must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the Ability Enterprise Co., Ltd. product called AI-Vue 2MP ANPR Bullet Network Camera (Model No. VS12110 / VS12112), FCC identifier 2AAD3LA1112 and Telit authorize FCC to use information on file to grant such Change of Identification for this device.

Telit Communications S.p.A. is supplying the LE910C4-WWX to Ability Enterprise Co., Ltd., unmodified and equivalent to the originally certified unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

---
