Additional Declaration about the use of the FCC DoC logo

The User manuals and photo of the backside of the device are showing the FCC DoC logo, however this is not applicable for this device, since it is not a peripheral device.

The FCC DoC logo will be removed from the User Manual and backside of the device in the final product version marketed in the United States.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mark Koop". The signature is fluid and cursive, with a horizontal line extending to the left and a flourish at the end.
