

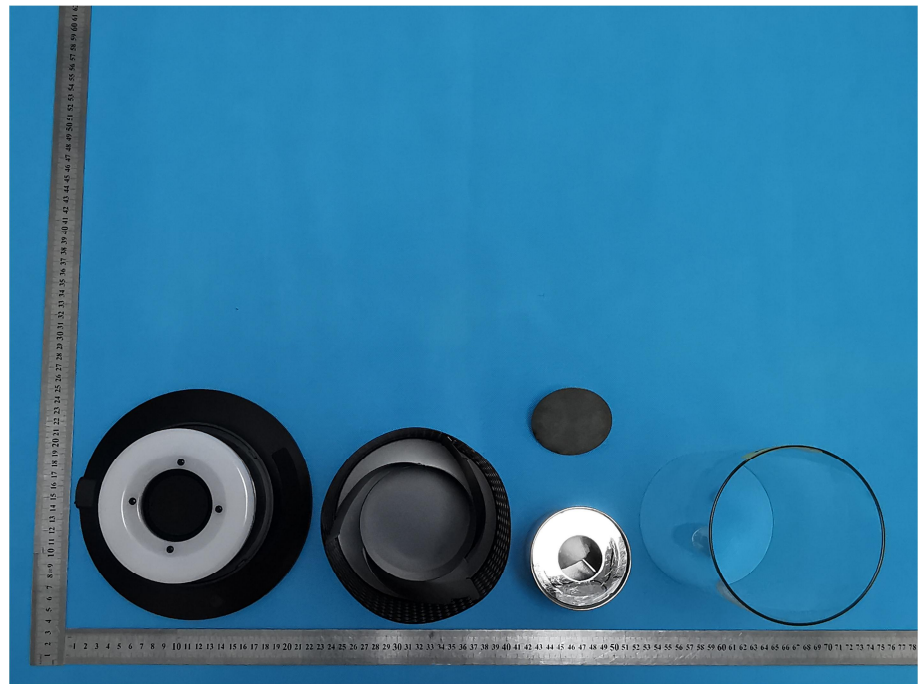

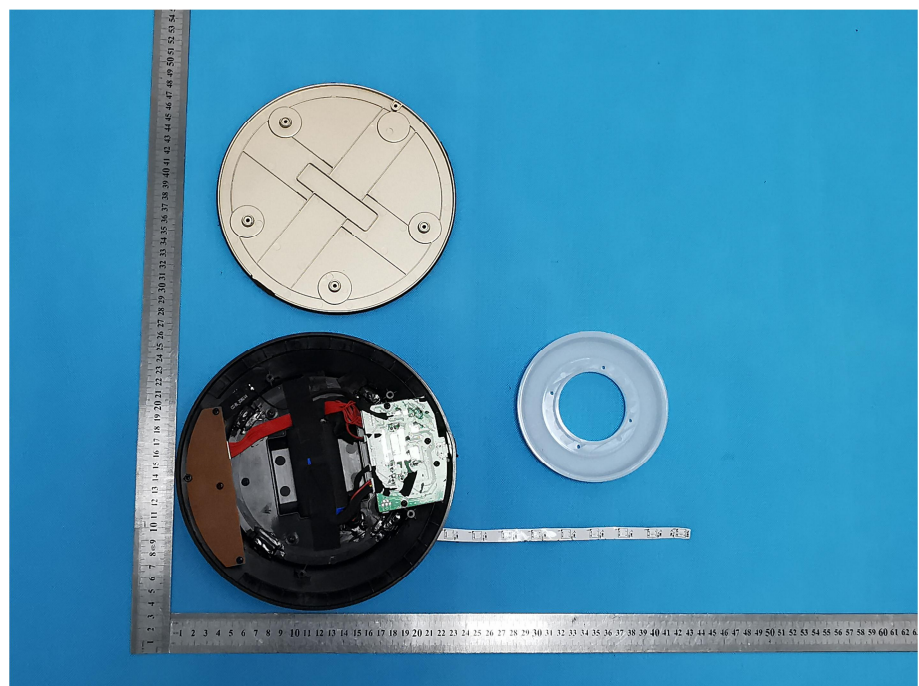

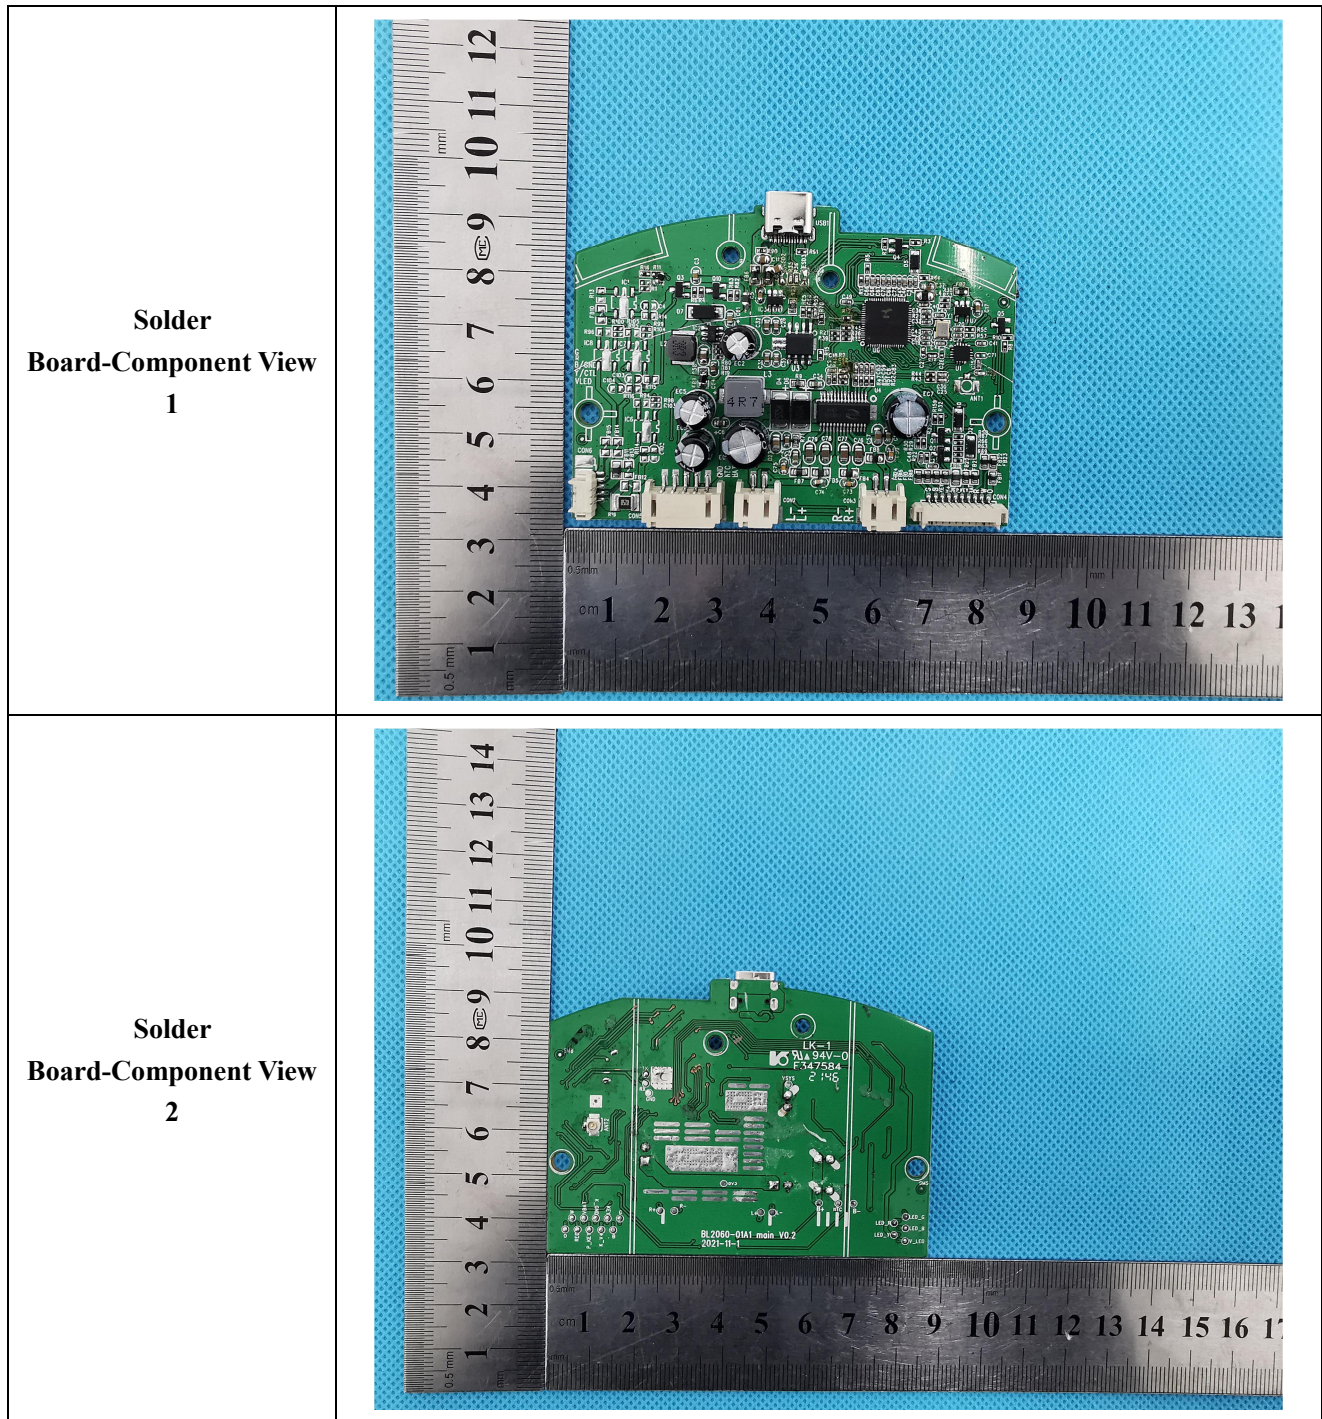

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

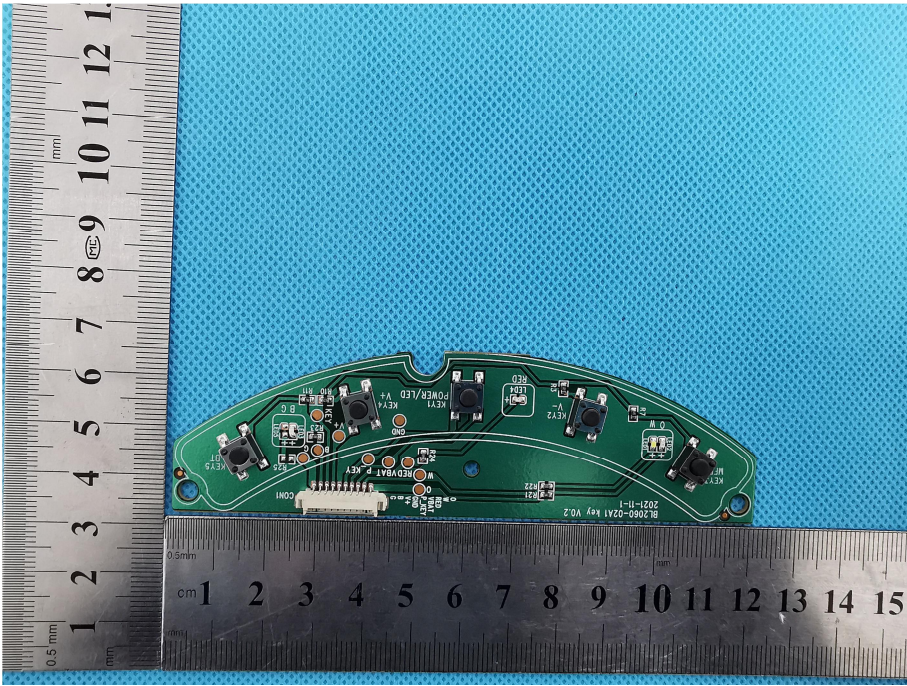

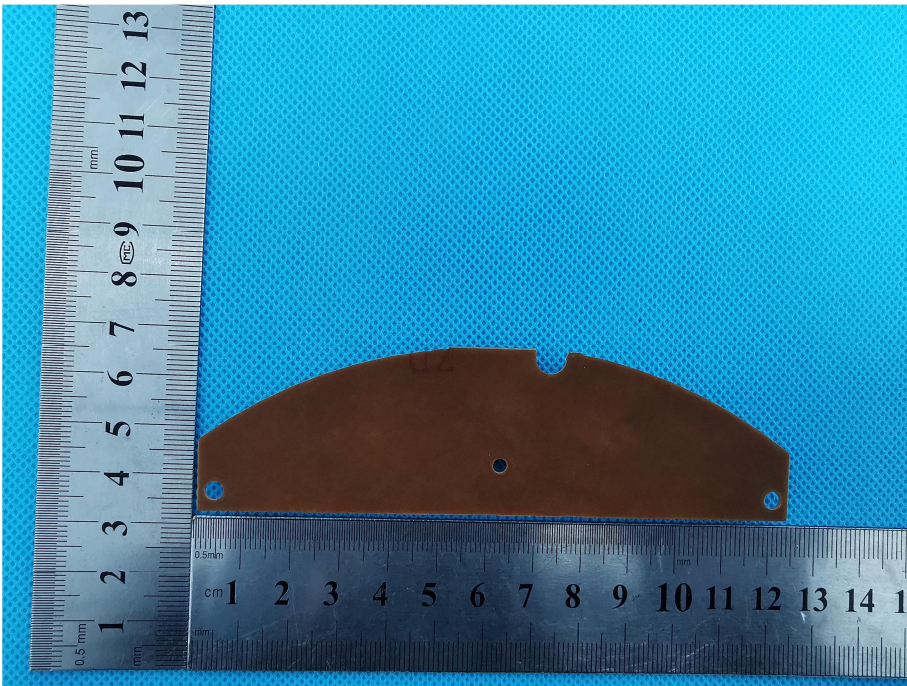

**EUT Housing and Board  
View 1**

**EUT Housing and Board  
View 2**

<p style="text-align: center;"><b>Solder Board-Component View 3</b></p>	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 3'. The component is semi-circular and populated with various electronic components including resistors, capacitors, and integrated circuits. It is placed on a blue perforated surface. Two rulers are used for scale: a vertical ruler on the left showing centimeters from 1 to 12, and a horizontal ruler at the bottom showing centimeters from 1 to 15. The PCB is approximately 10 cm wide and 3 cm high.
<p style="text-align: center;"><b>Solder Board-Component View 4</b></p>	 A photograph of a brown PCB component, labeled 'Solder Board-Component View 4'. The component is semi-circular and appears to be a bare board or a board with minimal components. It is placed on a blue perforated surface. Two rulers are used for scale: a vertical ruler on the left showing centimeters from 1 to 13, and a horizontal ruler at the bottom showing centimeters from 1 to 14. The component is approximately 10 cm wide and 3 cm high.
