<p><b>EUT View 1</b></p>	 A top-down photograph of a black and orange portable speaker. The speaker is positioned on a grey floor. A yellow measuring tape is placed around the speaker to indicate its dimensions. To the right of the speaker, there are two black cables: one with a 3.5mm audio jack and another with a different connector. The speaker has a carrying handle on top and a control panel on the front.
<p><b>EUT View 2</b></p>	 A top-down photograph of the same portable speaker, similar to View 1. It is placed on a grey floor with a yellow measuring tape around it. This view shows the speaker from a slightly different angle, focusing more on the top handle and the front control panel.
