<p style="text-align: center;">Solder Board-Component View 7</p>	 <p>A photograph of a small green PCB component with two black connectors at the bottom. The component is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 40 mm. The component has several small components and a label '3920' on its surface.</p>
<p style="text-align: center;">Solder Board-Component View 8</p>	 <p>A photograph of a larger green PCB component with various electronic components, including a digital display showing '8888'. The component is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 100 mm. The component has a complex layout of components and a label 'WALTEK' on its surface.</p>
