

<p style="text-align: center;">Solder Board-Component View 13</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 13'. The board is rectangular and populated with various electronic components, including a large central integrated circuit (IC), several smaller surface-mount components, and a yellow connector on the left side. The board is placed on a black background with a white ruler for scale. The ruler shows measurements in millimeters, with the top edge marked from 0 to 80 mm and the bottom edge marked from 0 to 100 mm. The board's dimensions are approximately 75 mm by 45 mm. The text '371538A-Y17-201030' is visible on the bottom edge of the board.</p>
<p style="text-align: center;">Solder Board-Component View 14</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 14'. The board is rectangular and features a large, light-colored rectangular area in the center, which appears to be a solder mask or a specific component. The board is placed on a black background with a white ruler for scale. The ruler shows measurements in millimeters, with the top edge marked from 0 to 80 mm and the bottom edge marked from 0 to 100 mm. The board's dimensions are approximately 75 mm by 45 mm.</p>
