

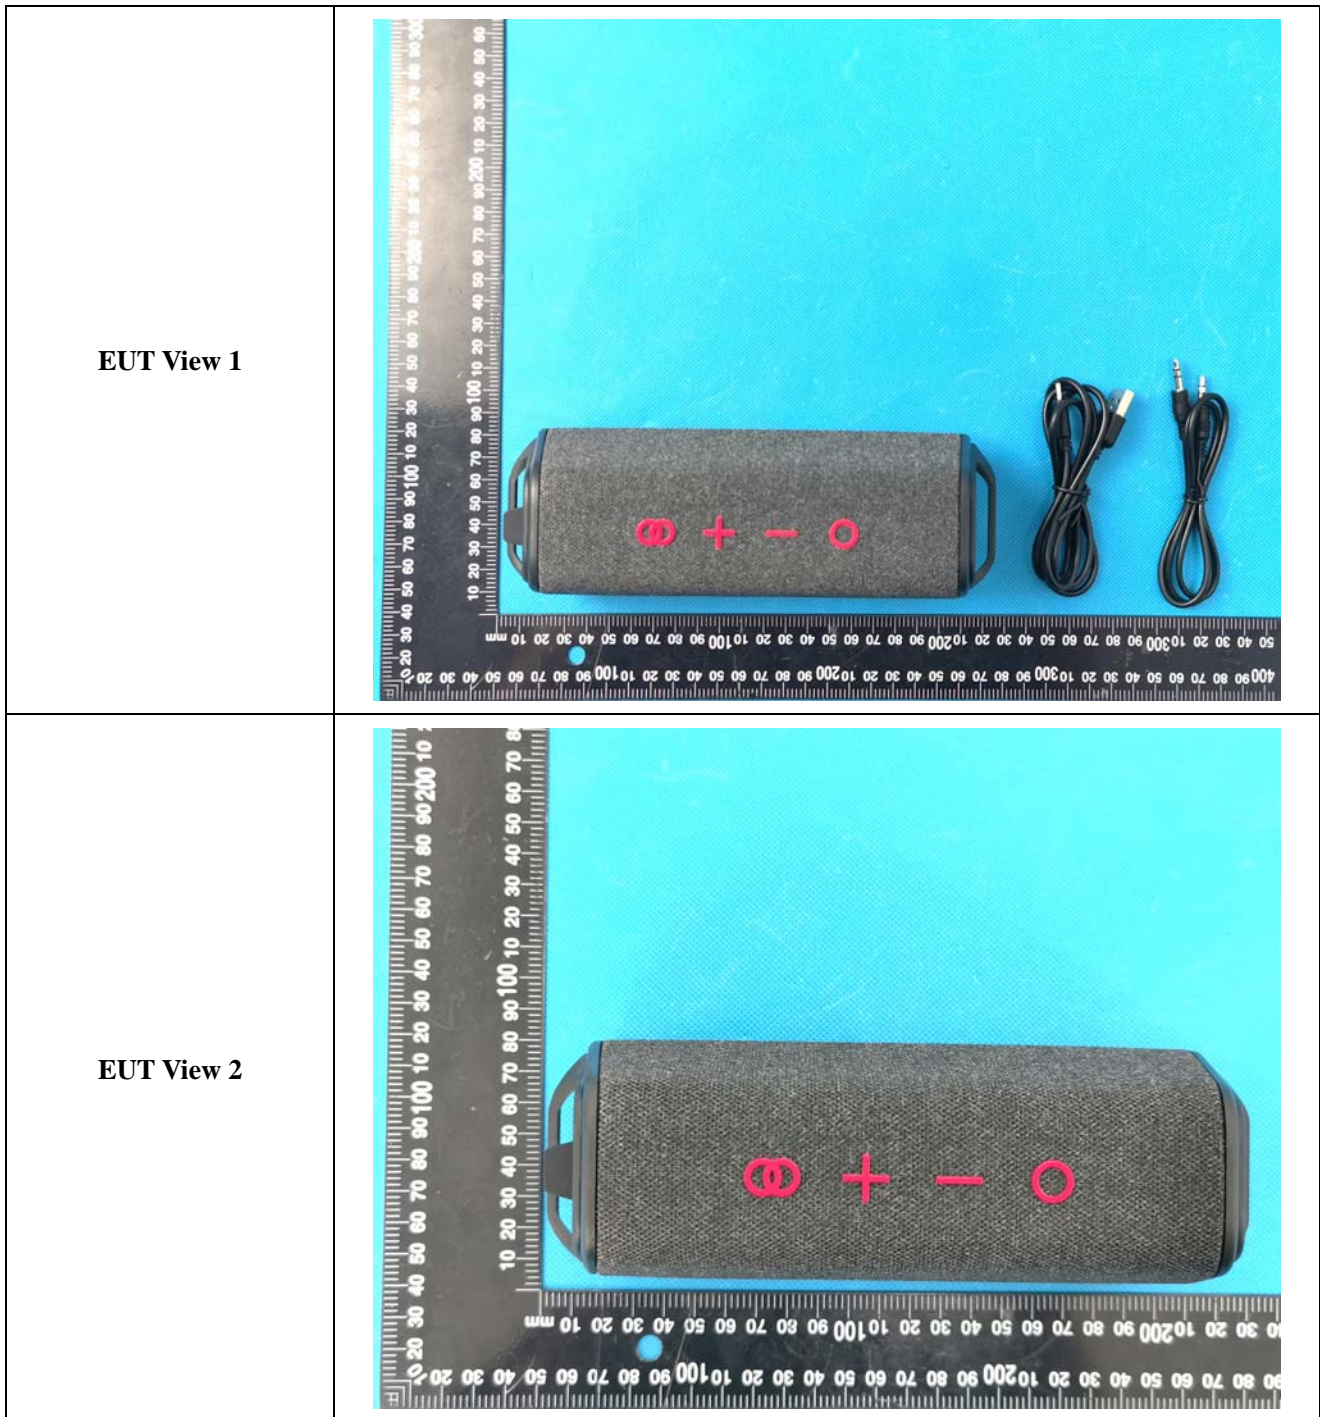

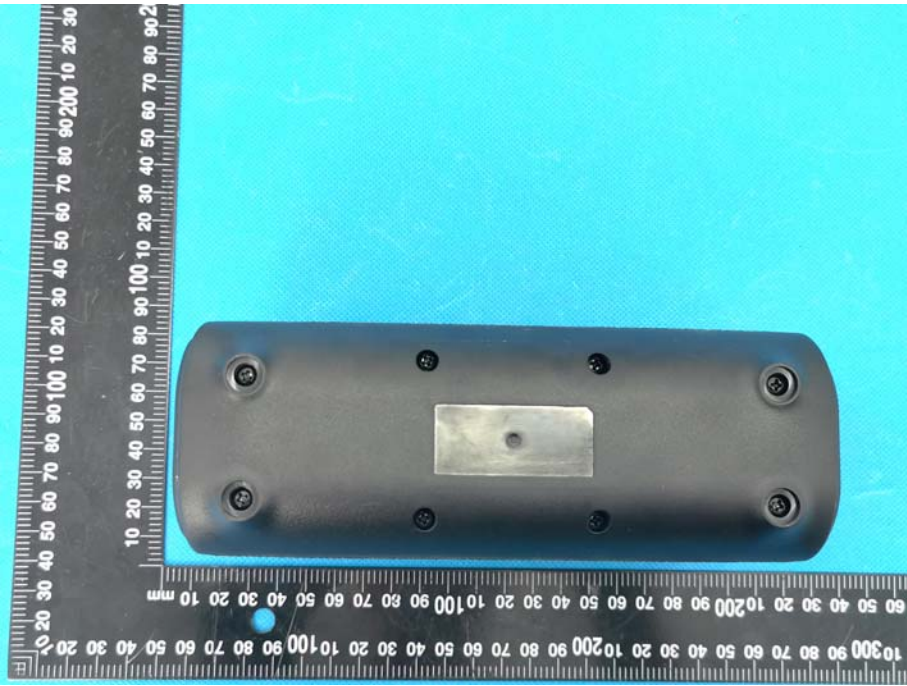

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

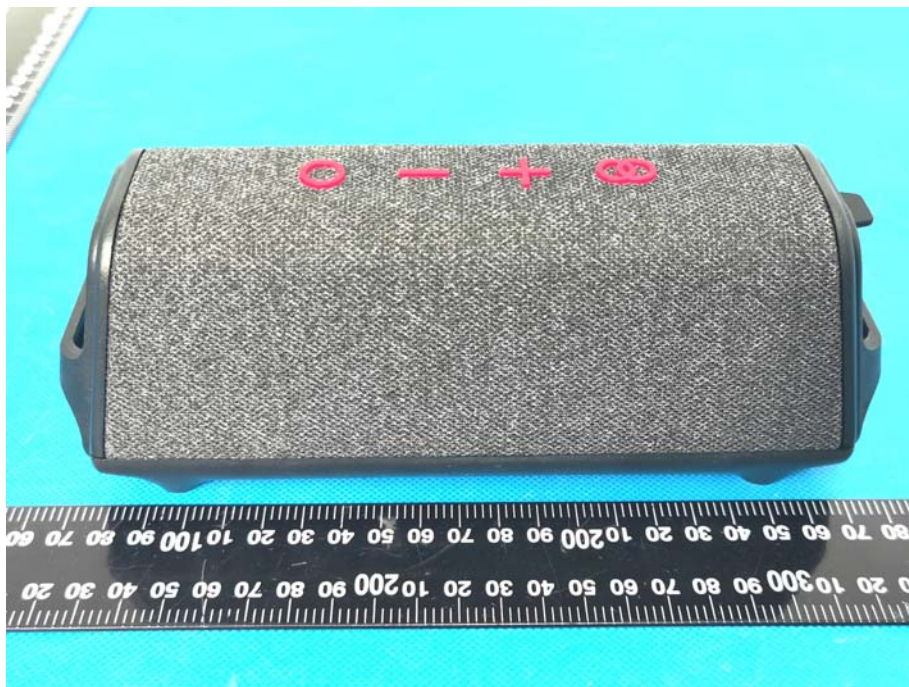

<p><b>EUT View 3</b></p>	 <p>A photograph showing the bottom view of a black, rectangular electronic unit. The unit is positioned horizontally on a light blue background. A black ruler is placed vertically to the left of the unit, with markings in millimeters and centimeters. The unit features a central rectangular silver-colored metal plate with a small circular hole in its center. There are four circular screw holes, two on each side of the metal plate. The ruler shows the unit is approximately 100 mm long and 30 mm wide.</p>
<p><b>EUT View 4</b></p>	 <p>A photograph showing the side view of the same electronic unit. The unit is covered in a grey, textured fabric. It is positioned horizontally on a light blue background. A black ruler is placed horizontally below the unit, with markings in millimeters and centimeters. The unit has a rounded rectangular shape. On the top surface, there are four red markings: a circle with a plus sign, a plus sign, a minus sign, and a circle with a minus sign. The ruler shows the unit is approximately 100 mm long and 30 mm high.</p>
