

DIFFERENCE DECLARATION

To whom it may concern,

We,

Guangzhou Robustel LTD

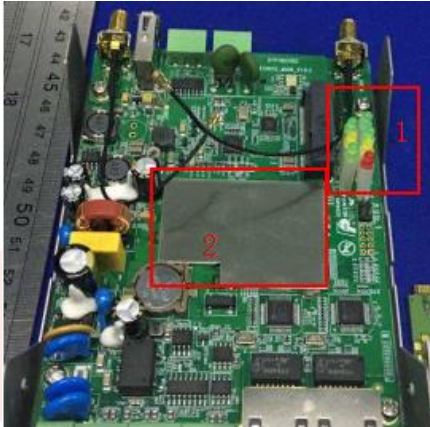

Address: ROOM F315, NO.95 DAGUAN MIDDLE ROAD, TIANHE DISTRICT, GUANGZHOU

With regard to the application for Model: R3010-4L.

Based on the model EG9012-4LB, some improvements have been made on R3010-4L. The specific differences are as the following: changed the color of LED indicators; removed the shielding case, with the EMC test to confirm its feasibility, the HL7588 module is equipped with a shield cover and is FCC certified, but the corresponding RE test indicators after our device removed the shield cover are in compliance with the related standard, which will not affect the RF performance; deleted the TPM chip; covered the silk screen; updated the software version to 3.1.0. The changed contents of the software has deleted the customization function and added the general purpose, which won't affect the property of the product.

Best regards.
