Attention:
Application Examiner
Re: Request for confidentiality
Applicant: S.E.M INDUSTRIES
FCC ID: 2AANA-SEM-CD6200

To whom it may concern,

Request is hereby submitted by S.E.M INDUSTRIES to withhold short term from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of

Authorization:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Test setup photos
- External photos
- Internal photos
- User manual

Rationale for request for confidentiality:

S.E.M INDUSTRIES has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the short term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

[For FCC certification; delete for TCB certification: The fee for confidentiality has been submitted along with the fee for certification.] If you have questions or need further information, please contact the undersigned.

Sincerely,

Manoj Sabnani
Director
