**Label
location**

A black, rectangular electronic device with rounded corners and a textured surface. The top edge features six gold-colored SMA connectors. The device is mounted on a blue fabric background. A red rectangular box is superimposed on the front face, containing the text "Label location". The device has four circular mounting holes, one in each corner, and a small blue circular mark on each side. There are some dark smudges or marks on the bottom half of the device.
