**FCC Statement**

- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.  
- This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:  
- Reorient or relocate the receiving antenna.  
- Increase the separation between the equipment and receiver.  
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.  
- Consult the dealer or an experienced radio/TV technician for help

**TROUBLESHOOTING**

No power	Recharge your earbuds using the included battery charging case.
Music is not playing over Bluetooth®	Make sure your Bluetooth® device has A2DP profile. Check if both devices are paired and connected over Bluetooth®. Restart the earbuds to reconnect your Bluetooth® device.
Bluetooth® device will not reconnect with the earbuds	Navigate to your Bluetooth® settings menu on your Bluetooth® device, tap "Mercury E029T" and select "Forget." Now follow the steps to pair your device again.

**Specification:**

**QUICK PAIRING GUIDE FOR NEW DEVICES**

**IMPORTANT:** Please follow these directions in the proper order to ensure the earbuds pair and connect properly.

1. APOLLO will turn on automatically once it is removed from charging case. It will blink alternately red and blue indicating that it is in pairing mode.
2. On your smartphone open the Bluetooth® menu, power on your Bluetooth® setting and search for new devices.
3. When you see Mercury E029T listed, tap it to connect.
4. Once connected with your device, there will be a BEEP from the right earbud.

**Note:** If your device asks for a passcode to connect, enter "0000".

**Quick guide  
single side print**

**PAIR & CONNECT WITH A NEW DEVICE**

- APOLLO will turn on automatically once it is removed from charging case. It will blink alternately red and blue indicating that it is in pairing mode.
- Open the Bluetooth® menu on your smartphone and search for new devices.
- When you see "Mercury E029T" listed, tap it to connect.
- Once connected with your device, there will be a BEEP from the right earbud.

**CHARGING**

**EARBUDS**

- Checking the "R" and "L" indicators on the charging case, place the right and left earbuds into the corresponding slots so that the magnetic metal charging contacts line-up correctly.
- The LED indicators on the earbuds will glow red and the charging indicators on the case will glow blue. Your earbuds are now charging.
- Once your earbuds are fully charged the LED indicators will turn solid blue. After approximately 5 minutes the LED indicators will turn off.

**CASE**

- When the case is charging, the led light will slowly flash red. When charge is complete, the red light will turn solid.

\* Note: the case can charge the earbuds while charging itself.

**PLAY & CALLS**

- Connect your device to these earbuds via Bluetooth® (see "Pair & Connect with a New Device.")
- Open your favorite music app and press play.
- All audio, including music, calls, games, videos, and notifications will be routed through the earbuds.

**RECONNECT TO YOUR DEVICE**

- You only need to pair your Bluetooth® device with these earbuds once.
- With your device's Bluetooth® feature turned on and in range, power on the left & right earbuds.
- They will automatically connect to each other and to your smartphone.
- If you have a previously paired device that does not auto-reconnect, navigate to the Bluetooth® settings menu on your device and select "Mercury E029T" from the list of paired Bluetooth® devices.

**POWER ON/OFF**

- NOTE:** Earbuds Turn On/Off automatically when removed from or returned to case.
- To power on manually, press and hold the power buttons for 2-3 seconds, the LED lights will begin to flash.
  - To power off manually, press and hold the power buttons for about 8 seconds.
