request for this certification filing under:

	Grantee Code	Product Number
FCC ID:	2AAQF	BT-1007

to maintain **permanent confidentiality** for the following documents submitted within this application:

(please cross what is applicable, or add other documents, provide the file name and description)

Exhibit	File Name	Description
Operational Description	Operational Description	explaining the functioning of the block diagram
Block Diagrams	Block Diagrams	showing the systematic building blocks of the EUT
Schematics Diagrams	Schematics Diagrams	showing components, their values and interconnection

Above materials crossed contain secrets, proprietary and technical information, which would customarily be guarded from competitors under 47 CFR, section 0.457(d)(2) and 0.459. Disclosure or publication or any portion of this company confidential material to other parties could cause substantial competitive harm and provide unjustified benefits for competitors. We understand that pursuant to 47 CFR section 0.457(d)(1)(ii) disclosure of the applicant and all accompanying documentation will not be made before the date of the grant. The documents indicated as confidential above, are not publicly available elsewhere.
