ON BLUETOOTH FUNCTION OF POC RADIO MODEL BF-CM632

To whom it may concern,

We, Fujian BelFone Communications Technology Co., Ltd., hereby certify that the POC radio products BF-CM632 designed and manufactured by our company do not support Bluetooth function. Although the integrated Wifi chip supports Bluetooth feature, we choose not to develop this feature as our BF-CM632 does not need such a function. There is not a single button on the radio that might activate Bluetooth function. Please be duly informed!

Sincerely,

Fujian BelFone Communications Technology Co., Ltd.
