Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046  
USA

Attn: OET Dept.

**Product/ Model Number: WIFI+BT Module / K255B-SR**

Regarding FCC Country Code Selection guidelines identified in KDB 594280 D01 Configuration Control v02r01.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

**Name: Wayne Zou**

**Date: July 19, 2021**

**Title: Manager**

**Signature of applicant**
