

HUNAN FN-LINK TECHNOLOGY LIMITED

Dear FCC

We, HUNAN FN-LINK TECHNOLOGY LIMITED, are requesting for the dismissal of the following applications recently certified on 07/22/2021.

FCC ID: 2AATL-K255B-SR

TC Numbers: TC299889, TC787881, TC434690.

The reason for the dismissal request of the above-mentioned applications is that incorrect modular type is chosen in the FCC ID granted, this applicant is requesting Limited Single Modular Approval, however Split Modular Approval is chosen accidentally, and accept this applicant.

We confirm that the device under FCC ID: 2AATL-K255B-SR has never been marketed or sold anywhere in the United States or anywhere else in the world.

Sincerely

Thanks!

Name: joe huang

Date: 07/30/2021

Title: maneger

Signature of applicant:

A handwritten signature in black ink that reads "joe huang". The signature is written in a cursive, lowercase style.
