

A black, rectangular device with rounded corners, likely a camera or recording device. The device is oriented horizontally. On the front face, there is a circular logo on the left and the word "ORCAM" in a bold, sans-serif font to its right. The logo consists of a circle with a smaller circle inside, and a small triangle pointing to the right from the right side of the inner circle. The text "ORCAM" is embossed or printed in a dark color. There is a small, faint mark on the top left corner of the device. A small, dark protrusion is visible at the bottom left corner.
