# USE AND CARE GUIDE
INTERIOR SMART LED FLUSHMOUNT

FCC Supplier's Declaration of Conformity

Responsible Party
Leedarson America, Inc.
300 Technology Court SE Suite 100; Smyrna, GA 30082
1-678-293-8382

Model: ACF03a1700-W

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the

receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment .This equipment should be installed and operated with minimum distance 20cm between the radiator& your body.

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

This device may not cause interference.

This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
L'appareil ne doit pas produire de brouillage;

L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.
Pour se conformer aux exigences de conformité CNR 102 RF exposition, une distance de séparation d'au moins 20 cm doit être maintenue entre l'antenne de cet appareil ettoutes les personnes.

APP Operation

1. Download the Hubspace™ app from the App Store or the Google Play Store.
2. Create an account to sign in or log in if you already have an account.
3. Connect your flush mount to power and follow the instructions on the app screen.
4. Tap the '+' button in the upper right corner to add your flush mount.
5. **Scan the QR Code**
   Scan the QR code in the quick start guide or on the -ush mount. To scan the QR code on the -ush mount, diffuser needs to be removed. Please follow step 1 in the instructions.
6. **Using Your Smart Flush Mount**
Turn your smart -ush mount on or off from the Home page on the Hubspace app.
To set a schedule or timer, tap the name of the smart -ush mount on the Home page. You will see options for setting Schedules and Auto-Off Timers.
7. **Set up your Voice Assistant**
You can connect your smart -ush mount to Google Home and Alexa from the Hubspace app. Or, you can sign in to Alexa app or Google Home and connect to your Hubspace devices from there.
