Step 1:

Get the LEEDARSON App for Android or iOS.

Step 2:

Create an account and sign in.

Step 3:

Press '+' button to add the light bulb.

Step 4:

Follow the instructions on App.

Safety Information

WARNING: Keep out of reach of children. This product contains tiny components, which can cause choking or injury if ingested.

▲ WARNING: Keep batteries away from children. This product contains coin/button cell batteries.

- If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. Keep away from infants and small children at all times.
- If battery is swallowed or placed inside any part of the body, immediately seek EMERGENCY medical attention.
- Battery may rupture if the incorrect type of battery is used. Follow the instructions in this manual.
- Dispose of used battery promptly.

WARNING: Any battery has the potential to leak harmful chemicals that can damage skin, clothing or the inside of the alarm. To avoid risk of injury, do not do not allow any substance leaked from the battery to come in contact with eyes of skin. Any battery has the potential to rupture and may even explode if exposed to fire or other forms of excessive heat. Use caution at all times when handling batteries.

To reduce the risk of personal injury or harm to your alarm, take the following precautions:

- Do not use different brands of batteries in the same device.
- When replacing batteries always replace the whole set.
- Do not use rechargeable or reusable batteries.
- Do not allow children to install batteries unsupervised.
- Follow battery manufacturer's instructions for proper handling, storage and disposal of batteries.

▲ WARNING: Used batteries should be disposed of at an appropriate recycling center. Do not discard with normal household trash. DO NOT BURN.

- In wet locations
- Outside the premises (outdoors).
- Near the metal objects and mirrors that cause radio signal attenuation or shading it.
- Near the powerful main wiring.

WARNING: Clean the mounting surface with a gentle degreaser agent.

Please note that some surfaces may be unsuitable for the mounting adhesive pads provided.

1 YEAR LIMITED WARRANTY

This product is guaranteed to be free of defects in materials and workmanship for 1 year from the date of purchase.

Guarantee does not include normal wear and tear, batteries.

Wireless Protocol: Zigbee 3.0

FCC Statement

- 1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Note: The grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. Such modifications could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -Consult the dealer or an experienced radio/TV technician for help

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

IC Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment.

Cet équipement est conforme aux limites d'exposition aux rayonnements de la IC établies pour un environnement non contrôé.
