

Appendix A

# Photo

Sample	
Front view	Rear view
 A black smartphone is shown vertically on a light-colored wooden surface. A stainless steel ruler is placed to the left of the phone, showing a height of approximately 150 mm. The phone's screen is dark with some light spots. A small white 'e' logo is visible at the top of the screen. The phone has a black bezel and a black back cover.	 The back of the black smartphone is shown horizontally on a light-colored wooden surface. A stainless steel ruler is placed above and below the phone. The ruler above shows a width of approximately 100 mm, and the ruler below shows a height of approximately 150 mm. The back cover is black with a white battery icon and a white arrow pointing up and down. A small white 'e' logo is visible at the bottom right corner. There are five small white dots arranged in a horizontal line on the right side of the back cover.
