Re: FCC ID: 2AB7YDPBTLE24

To Whom It May Concern:

The following application is submitted on behalf of our client, Viper Design, LLC, for evaluation of their model DPBTLE24D for certification under FCC Part 15.247.

The DPBTLE24 is a Bluetooth Low Energy device capable of sending and receiving data from a multitude of Bluetooth enabled devices including smart phones, tablets, and computers. The module is intended to be installed on or inside another product in order to receive power and signals required for operation. The RF circuitry and radio is completely controlled from within the module.

The DPBTLE24 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

Sam Wismer
Vice President, Technology
Advanced Compliance Solutions, Inc.
