Dear Sir or Madam,

Viper Design respectfully requests confidentiality of certain materials provided with the submission of the VPR9XYLND under FCC ID: 2AB7YVPR9XYLN in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the schematics diagrams, detailed block diagrams, and detailed operational descriptions contained in this filing and included in the following files.

16-2053 – System Block Diagram.pdf
16-2053 – Theory of Operation.pdf
16-2053 – Schematics.pdf

The VPR9XYLND has been developed at considerable effort and expense by Viper Design. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Alex Irkliy
