

# FCC ID and TELEC Label Location

The product does not have enough space to place the label, and FCC ID label is reflected in the user manual and package, as below:

## TRUE WIRELESS EARBUDS

TYPE: Diesel TWS

Manufacturer: Shenzhen Jonter Digital Co., Ltd

FCC warning:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### Regulatory compliance

The crossed-out wheeled-bin symbol indicates that the product should not be discarded with unsorted household waste but must be delivered to separate-collection facilities for recovery and recycling.

We, Telecom Lifestyle Fashion B.V., declare under our sole responsibility that the product "Diesel True Wireless Earbuds" conforms with the provisions of the following Directives: 2014/53/EU.

See the full text of the EU Declaration of Conformity here:
