

18JUL2019

CINCH Systems, Inc.  
12075 43rd ST NE  
Suite 300  
St Michael, MN 55376

**Application Cover Letter**

**FCC ID: 2ABBZ-RF-RXTX-319**

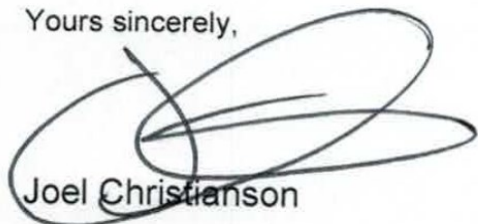

CINCH Systems is applying for original certification to FCC Part 15 Subpart C §15.231 for FCC ID part number 2ABBZ-RF-RXTX-319. The wireless communication interface with a security panel is regarded as a proprietary security protocol.

The model tested M1XRF319 is equivalent to the models in this application.  
The following model numbers are associated with this application:

ELK Electronic	UTC	DMP	Remark
Model: M1XRF319	Model: RF-RXTX-319- UTC	Model: 738T	Electrically all the models are the same

The radios in all models are electrically identical. The differences in the models are the companies' model naming format.

Yours sincerely,

Joel Christianson
