

# Letter of Declaration

## Product Equality

June 02, 2023

We, as a manufacturer, hereby declare that our product has variant model names as listed below. Variant model is totally same as basic model but it differs in the authentication method that opens the door. Each model differences are described in the below table.

Model Name	YRD450 FP
Alt. Model Name	YRD420 FP
Model Differences	Variation model is different from the authentication method that opens the door. No any other difference related to RF function. YRD450 FP : touch type YRD420 FP : push & key type

Sincerely yours,

---
