Basic Model

Item : Digital door lock
Model Name : YRD622-ACC-619

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Variant Model

Item : Digital door lock
Model Name : YRD622-ACC-605

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRD622-ACC-0BP

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRD622-ACC-0BE

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRD622-ACC-BSP

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRC622-ICK-15X

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRC622-ICK-3XX

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRC622-ICK-1BP

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRC622-ICK-1BE

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China

Item : Digital door lock
Model Name : YRC622-ICK-BSP

FCC ID : 2ABFG-YRD622BLEV1
IC : 11626A-YRD622BLEV1

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions.
1)This device may not cause harmful interference, and
2)This device must accept any interference received,
Including interference that may cause undesired operation

Manufacturer: iRevo-ASSA ABLOY Korea / Country of origin: China
