

Furrion Ltd.

December 7, 2021

To Whom It May Concern:

We, Furrion Limited., hereby apply for Class II permissive change to the approved product under FCC ID: 2ABH3-FOS07TA

RF part without any change (including module, antenna and RF related circuit), only change the audio IC related circuit.

Radiated emission is tested again and demonstrates to compliant to the limit per FCC part15.247 and part15.209.

Sincerely,

Furrion Ltd.

A handwritten signature in blue ink, appearing to read 'T. Wernisch', is positioned to the left of a circular blue ink stamp. The stamp contains the text 'FURRIION LIMITED' around the perimeter and a small star symbol in the center.
