

ISRAEL TESTING LABORATORIES
Global Certifications You Can Trust

To: Federal Communications Commission

From: Shaike Raz

Att: Reviewing Engineer

Reference No: L13478.00

Date: 20 February, 2014

Subject: FCC Certification for F. Robotics Acquisitions Ltd's. RF Module
M/N ESB6007D FCC ID: 2ABHE-RB-1

To Whom it may Concern,

1. We are submitting an application for Limited Modular approval on behalf of. F. Robotics Acquisitions Ltd. for the above subject device placed in the hosts whose details are submitted with this application.
2. Exploratory radiated emission tests were performed on the host configurations (RC306, Base Station for RC306 – CBS01 and RS612) in order to determine the “worst case” host. Full testing was performed on the “worst case” host (Base Station for RC306 – CBS01).
3. Exhibits concerning all hosts under this application are being submitted.
4. Please let me know if you need any additional information.

Regards
