# RF Module Location in Hosts

RC306

RF module in RC306
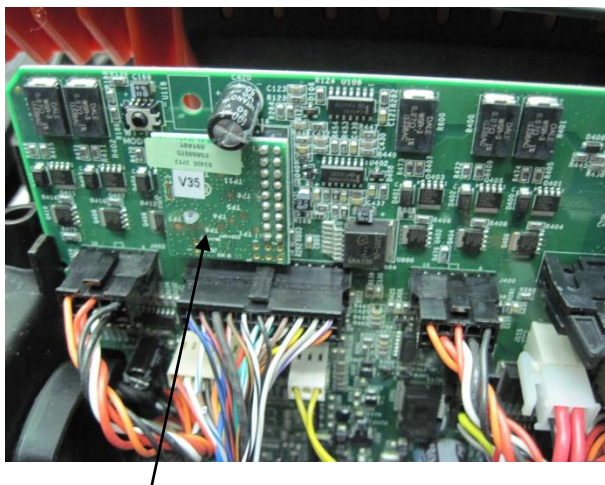

Base Station CBS01

RF Module in CBS01

RS612

RF module in RS612

# Location of RF Module in **RS622**

S-Platform Main Board

The RF module is located on the main board in the rear part of the robotic mower

The RF module

# Location of RF Module in **RS630**

S-Platform Main Board

The RF module is located on the main board in the rear part of the robotic mower

The RF module

# Location of RF Module in **Robo Scooter 1800**

*S-Platform Main Board*

The RF module is located on the main board in the rear part of the robotic mower

The RF module

# Location of RF Module in **Robo Scooter 3000**

*S-Platform Main Board*

The RF module is located on the main board in the rear part of the robotic mower

The RF module
