**Subject: Geolocation General Description**

To whom it may concern,

Tarana Wireless, Inc. ("the applicant") certifies that Tarana RN system is using an internal geolocation capability, Quectel LC76G(AB), to automatically determine the standard power access point's geographic coordinates and location uncertainty with a confidence level of 95%. Daily AFC confirmation will be performed, and re-authenticate after a power cycle operation.

Quectel LC76G(AB) GNSS module is programmed to have only GPS and Galileo constellations enabled by default.

Sincerely,

A handwritten signature in blue ink that reads "Ilkka Niva". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

---

Name: Ilkka Niva

Title: Director of Regulatory Affairs
