Re: Request for Confidential Treatment - FCC ID: 2ABPA-3916

Dear FCC Representative:

Cynric Lind Parr L.L.C. and its affiliates (“Cynric”) would like to hereby ask for confidential treatment under FCC regulations Sections 0.457 and 0.459 (47 CFR §§ 0.457, 0.459) for the exhibits listed below as filed in connection with our Equipment Authorization. Product Model Number is SQ46CW.

A) Long Term Confidential - Please hold the following exhibits under permanent confidentiality:

- Operation Description
- Block Diagram
- Schematics

These documents show detailed technical and design information that Cynric does not make available unless we have a Non-Disclosure Agreement (“NDA”) signed with the other party to protect the confidential nature of the information. This information is considered to be Cynric’s confidential information. Disclosure of this information even after the product goes on the market would deprive Cynric of competitive advantage and harm us relative to our competitors.

B) Short Term Confidentiality - Please hold the following exhibits under short term confidentiality for 180 days from the grant date of the Equipment Authorization:

- Internal photos
- External Photos
- Test Setup Photos
- SAR Setup Photos
- Users Guide

These documents reveal detailed technical and design information that Cynric does not

make available prior to the launch of the product without NDA to protect confidentiality and our competitive advantage. This information is considered to be confidential information of Cynric. Disclosure of this information prior to commercial launch would cause harm to Cynric and would give competitors an unfair advantage.

Thank you in advance for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Marcie Villanueva". The signature is written in black ink and is positioned above the typed name.

Marcie Villanueva (Ms.), President
Cynric Lind Parr L.L.C.
