The subject TRUE WIRELESS EARPHONES are compact handheld models, authorized under 47CFR Part 15C.

The subject TRUE WIRELESS EARPHONES are ear pieces, as the size of the ear pieces is too small, the FCC ID can't print on it. In order to meet the requirements of 47CFR Part 2.925 (d), the user manual will be accompanied by the device when sales, as such, the FCC identifier will be readily visible to the user.
