

6. Electronic Lock RFID ISO MT – Label Location

Label location is on the »Metal Door RFID Antenna because:

- The »Electronic Lock RFID ISO MT« is OEM product for Locker Manufacturers and not for the final customer.
- At the time of delivery the Label is clearly visible.
- Locker manufacturer integrates our product »Electronic Lock RFID ISO MT« into his final product and is responsible for proper labelling of the final product.
- In the document »Electronic Lock RFID ISO MT – Technical Manual« there is paragraph describing final product labelling that urges our customer to put on his Product Label also statement »Contains FCC ID: 2ABT8003P1143«.
