Subject: Dismissal request for FCC ID: **2ABTKG1**

To Whom It May Concern:

We would like to request the dismissal of the approved model FCC ID:**2ABTKG1** which was issued in **Sep. 24, 2018** due to the reasons stated below:

1. G1 products, which have been developed in 2018 in china, have been completed by the FCC, but were not produced due to business policy.
Since then, it has developed a new model in Korea in 2019 and is preparing to produce and sell the model with the name G1(using the same name in company policy).

No product bearing the FCC ID in question has been sold in the United States nor anywhere in the world.

If you have any questions or comments concerning the above, Please contact the undersigned.

Sincerely Yours,
