

Declaration of differences in LTE model and WLAN model, FCC ID 2ABVH-INARI102

We, **Aava Mobile Oy**, declare that INARI10-LTDN-2 and INARI10-WLAN-3 are electrically identical except for the LTE related parts (FPC's, antennas, antenna cables and LTE module as such).

Following parts are removed from WLAN only version. Nothing has been changed or added to the remaining assembly.

1. LTE antennas and related interface PWB and coaxial cable.
2. FPC containing capacitive proximity sensor for power reduction (SAR)
3. LTE modem module
4. Modem interface FPC assembly

Removal of these parts doesn't have impact to other system performance.

Sincerely yours,

Aava Mobile Oy
