

goTenna PRO-X2, Model 37337-X2 is compatible with the following RF antennas:

- UHF Performance Antenna, monopole, Smiley part # 46526AS, +8.15dBi gain. The gain is supplied by the manufacturer.
 - UHF Compact Antenna, monopole, Smiley part # 46576AS, +5.15dBi gain. The gain is supplied by the manufacturer.
 - VHF Antenna, monopole, Smiley part # 15036AS, + 5.15dBi gain. The gain is supplied by the manufacturer.
 - Bluetooth patch antenna is an Ethertronics part number 1003893FT-AA10L0025, with +3.3dBi gain. The gain is supplied by the manufacturer. The Bluetooth antenna measurements were performed all in the radiated mode, so the antenna gain does not need to be measured.
