Date: 10, Dec. 2018

SUBJECT: FCC Application for (FCC ID:2ABWESPENSAM01 )

To Whom It May Concern:

We, Sunwoda Electronic Co., Ltd. declaration that detail as below:

A, why is FCC ID placed in the battery compartment? Since customers want to keep pens clean and tidy, they do not think putting labels on the appearance of pens is attractive to end-users.

B, How the Fcc ID or lable will be readily wiewble, It will be viewable to end user when they firstly use the pen. The pen is not working when user firstly have it. There is isolation pad inside to separate battery from its contact. When user remove the isolation pad and put back the battery, the lable weill be viewable to user and all its content.
