Welcome

Getting started is simple.

1 Get the Tile app for Android™ or iOS. It's free at downloadtile.com.
2 Activate your Tiles by following the easy in-app instructions.
3 Attach Tile to anything and never worry about losing your stuff again.
4 Keep the app running in the background to always know the latest location of your Tiled things.

Congrats! You have joined the world's largest lost and found community.
