Re.: Request to change identification

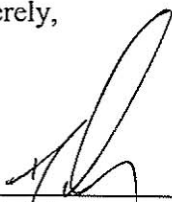

Dear Regulatory Authority,

This Change of Identification request applies for a new FCC ID as established in 47CFR 2.933(b) for a currently approved device. This application by Interaxon will establish a new FCC ID: 2ABZI-MUSE under Interaxon Inc, grantee code 2ABZI. The original grant to Microchip Technology Inc. will remain in effect.

Per 2.933(b)

1. The original identification is: T9J-RN42.
2. The original grant date is: 04/16/2010
3. The equipment to be identified with 2ABZI-MUSE is electrically identical in design and construction to the originally approved model T9J-RN42. Only the labeling to reflect the changed model name, trade name, and FCC ID number will be different.
4. The original test results are applicable and representative of this changed device.
5. Exterior photographs are included in this application.

Sincerely,

Derek Luke, COO
