Attn: Reviewing Engineer

Request for Class II Permissive Change to FCC ID: 2ABZJ-100-00014.

To whom it may concern:

Mimosa Networks Inc. is submitting an application for FCC Class II Permissive Change to the B5c (FCC ID: 2ABZJ-100-00014).

The original FCC Grant for this product, FCC ID: 2ABZJ-100-00014 was completed on January 15, 2015.

The changes filed under this application is: Update firmware to support PtMP operation, supporting a number of clients simultaneously. Note that with regards to regulatory power limits, no changes have been made on the DFS UNII-2 bands as for these bands the PtP and PtMP regulations are alike. The EIRP limits for the UNII-1 and UNII-3 bands on the other hand have been updated to be inline with FCC PtMP regulations in these bands.

If you have any questions, please contact me.

Regards,

Dr. Omer ILERI

Product Manager
