

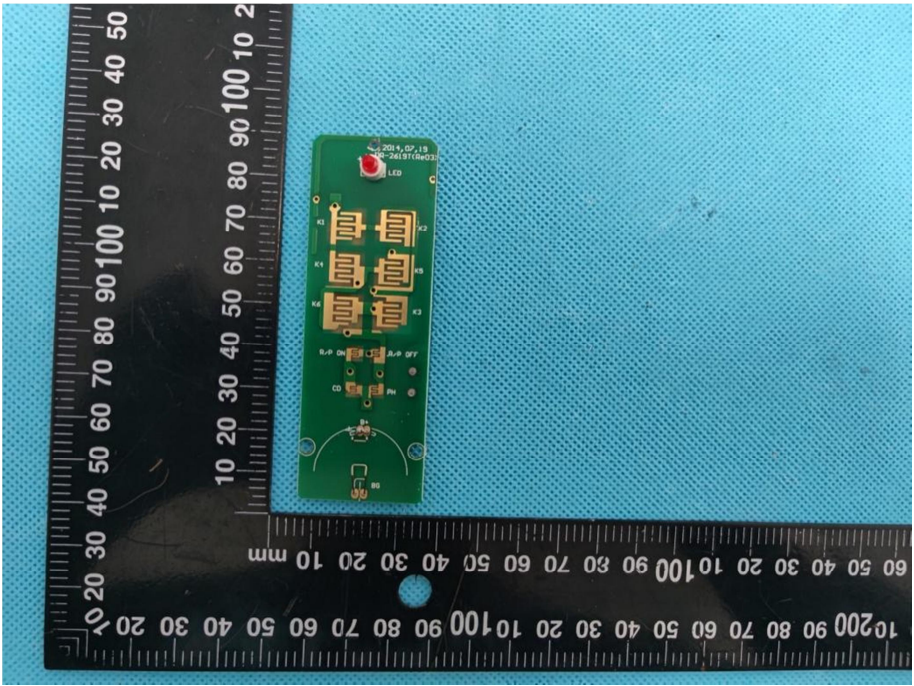

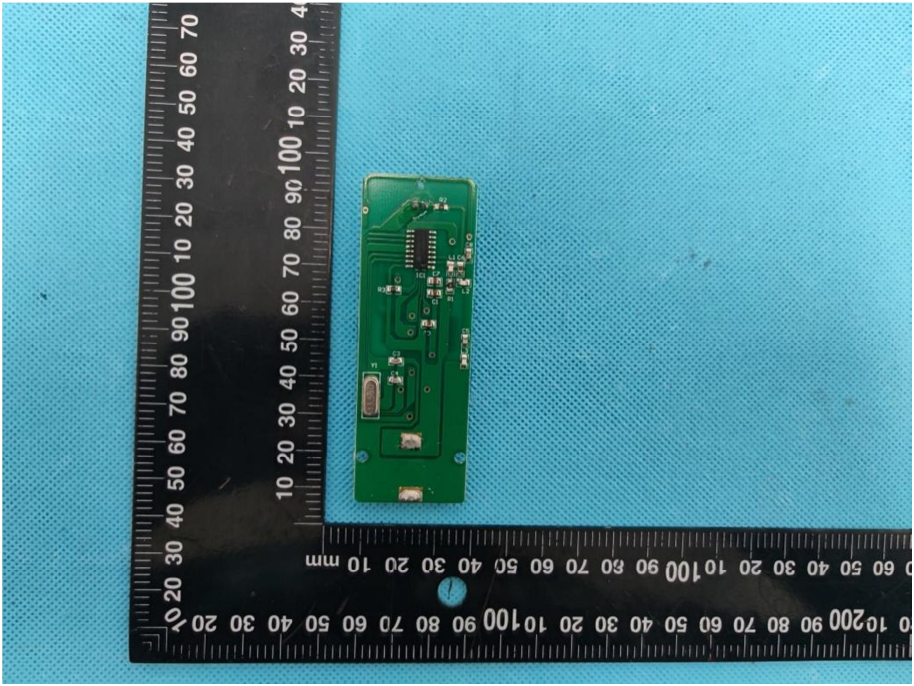

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p style="text-align: center;">Solder Board-Component View 1</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The board is rectangular and features several components: a red LED at the top, four RJ45 ports (labeled K1, K2, K3, K4), a micro-USB port (labeled S/P), and various other electronic components like resistors and capacitors. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows the board is approximately 100mm long and 25mm wide.</p>
<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of the same green PCB component, labeled 'Solder Board-Component View 2', showing the reverse side. The board is populated with various components including a micro-USB port, several resistors, and other electronic components. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows the board is approximately 100mm long and 25mm wide.</p>
