Ref: TCB Application submittal for FCC ID: 2AC7Z-ESPWROOM02
Applicant: MakuSafe Corporation

Dear Examiner,

We, Espressif Systems (Shanghai) Co., Ltd., hereby authorize MakuSafe Corporation to act on our behalf in all manners relating to application for equipment authorization, including signing of all documents relating to these matters. Any and all acts carried out by MakuSafe Corporation on our behalf shall have the same effect as acts of our own.

I, the undersigned, hereby certify that we are not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing MakuSafe Corporation as our representative, we still recognize that we are responsible for the following:

- I. Fulfill the requirements for the scope of certification requested, including implementing any appropriate changes requested by UL's Telecommunications Certification Body (TCB) or the FCC;
- II. to supply any and all information needed for the evaluation of the products for which certification is sought
- III. to make claims regarding certification only in respect of the scope for which certification has been granted
- IV. does not use its product certification in such a manner as to bring the certification body or the FCC into disrepute and does not make any statement regarding its product certification which the certification body may consider misleading or unauthorized
- V. upon suspension or cancellation of certification discontinues its use of all advertising matter that contains any reference thereto and complies with any and all actions required by the FCC
- VI. uses certification only to indicate that products are certified in conformity with specified standards
- VII. endeavors to ensure that no certificate or report or any part thereof is used in a misleading manner, and any copies of the grants/certificates shall be reproduced in their entirety

- VIII. in making reference to its product certification in communication media such as documents, brochure or advertising, complies with the requirements of the certification body and FCC, including the use of marks and label information prescribed for the scope of certification;
- IX. comply with the requirements for certification, supply any information needed for evaluation of products to be certified and, where applicable, make provision for the participation of observers
- X. products marketed under the scope of the requested certification shall continue to comply with the product requirements. The certification body shall perform market surveillance in accordance with the applicable scheme owner requirements, and should this product be selected for such an audit the applicant shall provide a sample of a production unit for testing within 30 days of the request.
- XI. keep a record of all complaints relating to product's compliance with requirements of relevant standard; make records available to UL or the FCC when requested; take appropriate action with respect to such complaints and any deficiencies found in the product that affect compliance with requirements for certification; document the actions taken with respect to complaints and/or deficiencies.
- XII. shall inform the certification body immediately of any changes that may affect its ability to comply with the certification requirements.

This authorization is valid until further written notice from the applicant.

Sincerely Yours,

Signature:  2020.2.25

Jian Huang
