Serial No.
#####

Refrig.
4.0 oz

Type
R-134a

Design Pressure- PSI
HS325 LS140

Class U

Model:
LZSTL8WSSVP

MANUFACTURING CO.
SAVANNA, IL. USA

Heater

ELKAY

Conforms to NSF/ANSI 61 and low - lead standards

This device complies with part 15 of the FCC Rules. Operation is subject to the following two (2) conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: 2AC8R-LZWSTLNA
IC ID: 12430A-LZWSTLNA
CAN ICES-3 (A)/NMB-3(A)

MADE IN USA
