Subject: Professional Installation Declaration

FCC ID: 2AC8R-NFC2

To Whom it May Concern:

We, Elkay Manufacturing Company hereby declare that TVWS device Model series LBWD\* and LBWDC\* are intended for professional installation. Furthermore;

(1) To qualify for professional installation, please explain why the hardware is not readily available to average consumer.

**Description:**

This product requires modifying a building's wall structure and connecting to the building's water, drain and electrical supply. Therefore, professional installation is required to maintain building safety and ensure the health and safety of the product's end users.

(2) Applicant must ensure device cannot be sold retail to the general public or by mail order.

**Description:**

Sales only via exclusive qualified distributors.

(3) Describe what is unique, sophisticated, complex, or specialized about your equipment which REQUIRES it to be installed by a professional installer?

**Description:**

Since product requires hardwiring to a building's electrical supply and connecting to its water supply and drain system, only qualified personnel familiar with local and national electrical and building plumbing codes should perform this work. This is essential to ensure building's safety and ensure end-product remains safe for general public use.

(4) Applicant intended use is generally not for the general public.

**Description:**

Yes, once professionally installed and maintained, end-product is for general public use.

(5) Installation must be controlled.

**Description:**

Proper installation instructions are provided with each product and must be abided by.

(6) Installed by licensed professionals. (EUT sold to dealer who hire installers)

**Description:**

Qualified sale distributors hire qualified professional installers.

(7) Installation requires special training (special programming, access to keypad, field strength measurements made)

**Description:**

Some special training is required.

If you should have any question(s) regarding the above declaration, please do not hesitate to contact us.

Sincerely,

René G. Laude, Senior Compliance Engineer
