设计师

张慧娟

材质工艺要求

材质要求: 105g太空梭哑粉, 印刷过哑油, 对折后再包心折

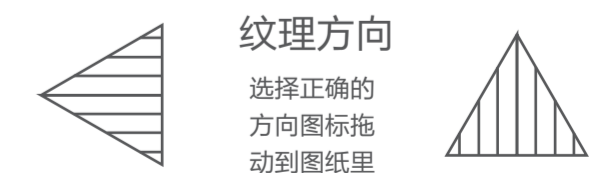

制作工序: 印刷-连线哑油-切-折-切正-包装

工艺要求: 色相正确、印迹牢固、套印准确、各色套印不露杂色、套印误差 $\leq 0.1\text{mm}$ 烫印牢固、不能毛边、沙眼 套印准确、烫印位置误差 $\leq 0.5\text{MM}$ 模切走位 $\leq \pm 0.5\text{mm}$

字体及字号: Gotham Book 7PT、6PT
GothamLight 6PT

成品尺寸: 84*80mm

纹理要求:

比例 1:1 单位 mm

84mm

80mm

Package Contents

- Amazfit Cor
- USB Charging Cable
- User Guide

Wristband Parts

The wristband consists of the main body with a touch sensitive bar below the display and a detachable band.

Charging

Tap the touch bar to wake the device. If the screen remains blank or indicates low battery, please make sure to charge the unit before continuing with the next steps.

To charge the device, connect the provided USB cable to the charging point on the back of the main body, then connect the other side of the cable to the USB port of your computer or cell phone charger.

Please use a power adapter that is rated above 5V and 500mA.

Download The Mi Fit App

The Mi Fit app is available for iOS in the Apple App Store and for Android in the Google Play Store, please search for "Mi Fit" and install the app or visit www.amazfit.com/setup

Connect Your Device

Please make sure you have Bluetooth activated on your phone, open the Mi Fit app then follow the on-screen instructions in the app to login into an existing account (or create a new one) and pair the device with your phone. Pairing requires the identification of the device and tapping the screen.

Using Your Device

Press the touch bar below the display to wake up the screen. Now you can touch the screen to operate the device.

Slide up or down on the screen to browse the different functions of the device. Tap the screen to access more details of a given function.

Swipe right to return to the previous interface.

Technical Specifications

Product Name: Amazfit Cor
Model Name: A1702
Water Resistance Rating: 5 ATM / 50 m / 164 ft
Operating Temperatures: 32°F -104°F / 0°C - 40°C
Wireless Connection: Bluetooth 4.0 BLE
Input Voltage: 5V $\overline{\text{DC}}$
Input Current: 300mA
Frequency: 2402-2480MHz
Max Output: 0dBm
Battery Capacity: 170mAh
Phone Requirements: Devices that support Bluetooth 4.0 and run Android 4.4 or iOS 9.0 or above.

Safety Notice

Do not attempt to force open the sensor. Substances contained in this product and/or its battery may damage the environment and/or human health if handled and disposed of improperly. Do not attempt to disassemble your Wristband. Do not expose your Wristband to extremely high or low temperatures. Do not leave your Wristband in direct sunlight for extended periods of time. Do not use your Wristband in a sauna or steam room.

Built-in Battery Precautions

Do not attempt to replace your Wristband's battery or force open the built-in battery. Use only the official cable to charge your Wristband.

Regulatory Notice

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference and;
- This device must accept any interference, including interference that may cause undesired operation of the device.

FCC ID: 2ACBUA1702

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Please take attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.

Disposal and Recycling Information

The symbol signifies that this product has to be disposed separately from ordinary household wastes at its end of life. Please kindly be aware that this is your responsibility to dispose electronic equipment at recycling centers so as to help conserve natural resources.
