材质工艺要求

材质要求: 105g太空梭哑粉, 印刷过哑油, 风琴折

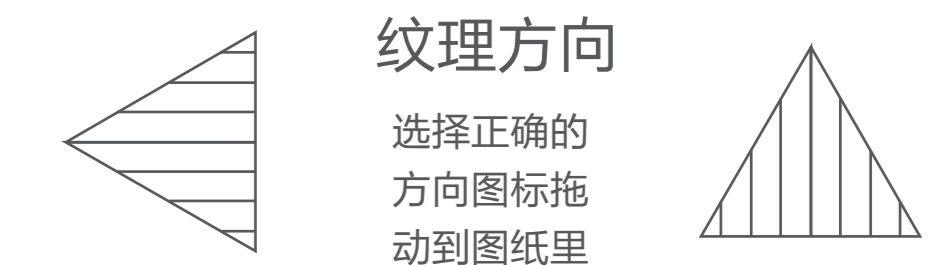

制作工序: 印刷-连线哑油-切-折-切正-包装

工艺要求: 色相正确、印迹牢固、套印准确、各色套印不露杂色, 套印误差 ≤ 0.1mm 模切走位 ≤ ± 0.5mm

颜色及专色: PANTONG Black C

字体及字号: 方正兰亭准黑_GBK/6.5PT 方正兰亭细黑_GBK/5.5PT

纹理要求:

比例 1:1 单位 mm

45mm	89mm	<p>AMAZFIT AMAZFIT GTR Product Manual</p>
<p>01 Package contents</p> <p>Smartwatch with the band × 1 Charging base × 1 Instruction manual × 1</p>		
<p>02 About the Watch</p> <p>Note: If the watch is powered off and doesn't turn on when you press and hold the power button, the battery may be running low. Please charge the watch and try again.</p> <p>1. Press and hold the power button to turn the watch off or on. 2. Press and hold the return button to turn the watch off or on.</p>		
<p>03 Installing the App</p> <p>The watch works with the Amazfit App. The Amazfit App helps you control your smartwatch and all its functions.</p> <ol style="list-style-type: none"> Press and hold the power button to turn the watch on. Scan the QR code on the Instruction Manual with your mobile phone to download the Amazfit App to your mobile phone. You can also download the latest version of the Amazfit App from the Google Play Store or Apple App Store. <p>Note:</p> <ol style="list-style-type: none"> For a better user experience, please use the most recent version of the Amazfit App. The operating system needs to be Android 5.0, iOS10.0, or above. 		
<p>04 Pairing the Watch</p> <ol style="list-style-type: none"> Open the Amazfit App on your mobile phone and create an account. Please log in if you already have an account. From the device list, select the watch you want to pair. Follow the following instructions on the app. Once the pairing is done, the watch will display the correct time. You can set the other watch functions as needed. <p>Note: Do not pair the watch directly using your mobile phone's Bluetooth. Follow the steps in the app to pair your watch correctly.</p>		
<p>05 Charging the Watch</p> <p>Only use the original charger to charge your watch. The charging plates on the back of the watch should be aligned with those of the charger. Once the watch begins to charge, the charging indicator will appear on the screen.</p> <p>Note: Only use the original charging base provided in the package to charge your watch. Also make sure that the charging base is always kept dry.</p>		
<p>06 Disassembly and Assembly of the Watch Strap</p> <ol style="list-style-type: none"> The strap can be replaced according to your wrist size. Please refer to the illustrations to disassemble or assemble the watch strap. <p>Note:</p> <ol style="list-style-type: none"> Once the strap is assembled, pull the strap properly to ensure it is installed successfully. The leather strap is not waterproof or water resistant. Please keep it away from any liquids. If you are planning to wear your watch during swimming or any other activities that may expose to water, please replace the leather strap with a silicon one. 		
<p>07 Regulatory Notice</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <ol style="list-style-type: none"> This device may not cause harmful interference, and This device must accept any interference, including the interference that may cause undesired operation. <p>FCC ID: A24CBLA1920</p> <p>Any changes or modifications that are not expressly approved by the party responsible for the compliance may void the user's authority to operate the device.</p> <p>- Relocate or relocate the receiving antenna. - Increase the separation between the device and receiver. - Connect the device into an outlet on a circuit different from that to which the receiver is connected. - Connect the receiver to an expansion/antenna/RF techniques for help.</p> <p>The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure conditions without restriction.</p>		
<p>This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:</p> <ol style="list-style-type: none"> This device may not cause interference, and This device must accept any interference, including interference that may cause undesired operation of the device. <p>IC:2186-A1920 CAN ICES-3(B)/NMB-330</p> <p>Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'utilisation est autorisée aux deux conditions suivantes:</p> <ol style="list-style-type: none"> L'appareil ne doit pas produire de brouillage. L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement. 		
<p>08 Disposal and Recycling Information</p> <p>The following symbol signifies that this device has to be disposed separately from ordinary household waste. At the end of its life, please verify the areas that this is your responsibility to separate the electronic device at recycling centres to help conserve the natural resources.</p> <p>09 Certifications and Safety Approvals</p> <p>Huawei Anhui Future Information Technology Co., Ltd. declares that the radio device type A1921 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address:</p> <p>https://www.amazfit.com/support.html</p> <p>For more regulatory information and product certification/compliance logos related to AMAZFIT GTR, please go to Regulatory on your AMAZFIT GTR.</p>		
<p>10 Safety Notice</p> <ol style="list-style-type: none"> The device is water resistant with a certified rating of 5ATM. This means that the device is resistant to rain and can be worn while showering. It may also be used in shallow water activities, such as swimming in a pool. However, the watch should not be used when scuba diving, bathing, taking a sauna, or in other activities involving a high velocity of water or the submersion below shallow depth. Please do not operate the watch underwater. After submerging, dry it with a dry cloth before operating or charging. The watch is not protected against chemical reagents, acidic or alkaline solutions, etc. Delicats caused by liquid damages are not covered under the warranty. 		
<p>11 Basic Parameters</p> <p>Name: AMAZFIT GTR Product model: A1921 Battery capacity: 420 mAh Battery life: up to 14 days Input: 5V 1000mA Charging: 5V 2A Max. Output: 0.35A Operating temperature: 0°C to 40°C Water resistance rating: 5 ATM Device requirements: Devices installed with Android 5.0 or iOS 10.0 or above OS versions</p>		
<p>12 Warranty and Return Policy</p> <p>The Amazfit Limited Warranty covers Amazfit products against manufacturing defects beginning on the original purchase date. The warranty period is 12 months or other periods as the applicable consumer laws in the consumer's country of purchase require. Our warranty is in addition to rights provided by applicable consumer laws.</p> <p>Official website: www.amazfit.com Support: support.amazfit@foxmail.com Email: support@amazfit.com</p>
