04 Troubleshooting

Please check the FAQ on the website: <https://support.amazfit.com/en>.

Note: If the product is not in use for a long period of time, it is recommended that you power off the product before storing it. Recharge the battery every 6 months to 100% to prevent battery damage by over-discharge due to long-term storage.

For more information about safety precautions, repair, and maintenance, please refer to the electronic manual.
